

Dear LAC participants & families,

In an effort to minimize illness at camp we ask that you check your health (or the health of your child) daily beginning 14 days prior to arrival at the Life Adventure Center. The best programs start with healthy participants, and this begins at home. Please bring this completed form with you the first day you arrive. Alternately, you may fill this same screening form in daily online, at the link provided with your registration materials.

In the 14 days prior to your arrival at LAC, has anyone in your household been ill or diagnosed with COVID-19?

- No
- Yes

In the 14 days prior to your arrival, have you traveled outside of the state of Kentucky? If yes, where?

- No
- Yes

To your knowledge, in the 14 days prior to your arrival, have you been in contact with anyone who is ill, is showing symptoms, or has been diagnosed with COVID-19?

- No
- Yes

If yes, please list all states you visited or passed through, and the date of your visit:

Please indicate if the participant has any of the following symptoms prior to camp, and record a temperature daily. If a fever or other symptoms are present, please have your camper evaluated by a licensed provider and contact Life Adventure Center for further guidance BEFORE arriving at LAC.

My signature indicates that I completed this health screening (or my child) daily for 14 days prior to the program, and to the best of my ability. I understand that arriving to camp healthy is vital to a healthy camp for all participants.
